

## **CONTRABASS SERIES CR 10s**

Engineered for Impact: Experience Bass Like Never Before!

The CR 10s is a reflex-loaded subwoofer featuring a 10" (254 mm) driver designed for low-profile, high-energy bass reinforcement in small venues, A/V setups, and residential applications.

Compact yet powerful, it delivers tight, controlled low-frequency extension while blending seamlessly into interiors. Its neutral design allows installation on walls, ceilings, or under seating,

minimizing floor usage. When paired with String or Cello series tops such as ST 23, ST 43, CF 5, and CC 8, the CR 10s forms balanced, full-range systems suitable for ambient music and intimate sound reinforcement.

Compact, versatile, and discreet, the CR 10s is the ideal choice for applications demanding subtle yet impactful bass.
